

IT
(Based upon the novel „IT“ by Stephen King)
Words, Music & Solo: Lucky

IT was some wears ago
When we were younger
We had to fight, destroy the darkest light
But nightmares comes while I'm asleep

I have to call my friends IT starts again
We're strong enough to fight another time
But six are back we've lost one friend

IT strikes back, IT's killing
God help us now in the name of love
IT's fearfull and deadly
God help us now in the name of love

IT was some years ago, we've made a sworn
We look about to fight another time
But time has passed since we had won

IT has arised again and we are older
We look around but but we can't kill IT
World has turned since we were young

IT strikes back, IT's killing
God help us now in the name of love
IT's fearfull and deadly
God help us now in the name of love

IT strikes back, IT's killing
God help us now in the name of love
IT's fearfull and deadly
God help us now in the name of love
